

WELCOME PACK

THANK YOU FOR JOINING US FOR THE FIRST EVER SNAPS SUPERHERO ZOOM!

We're absolutely delighted your family will be joining us for this brand new event on 15th September 2019. Inside this welcome pack you'll find more information about the event and SNAPS, plus ideas to support SNAPS and a fun activity for the kids!

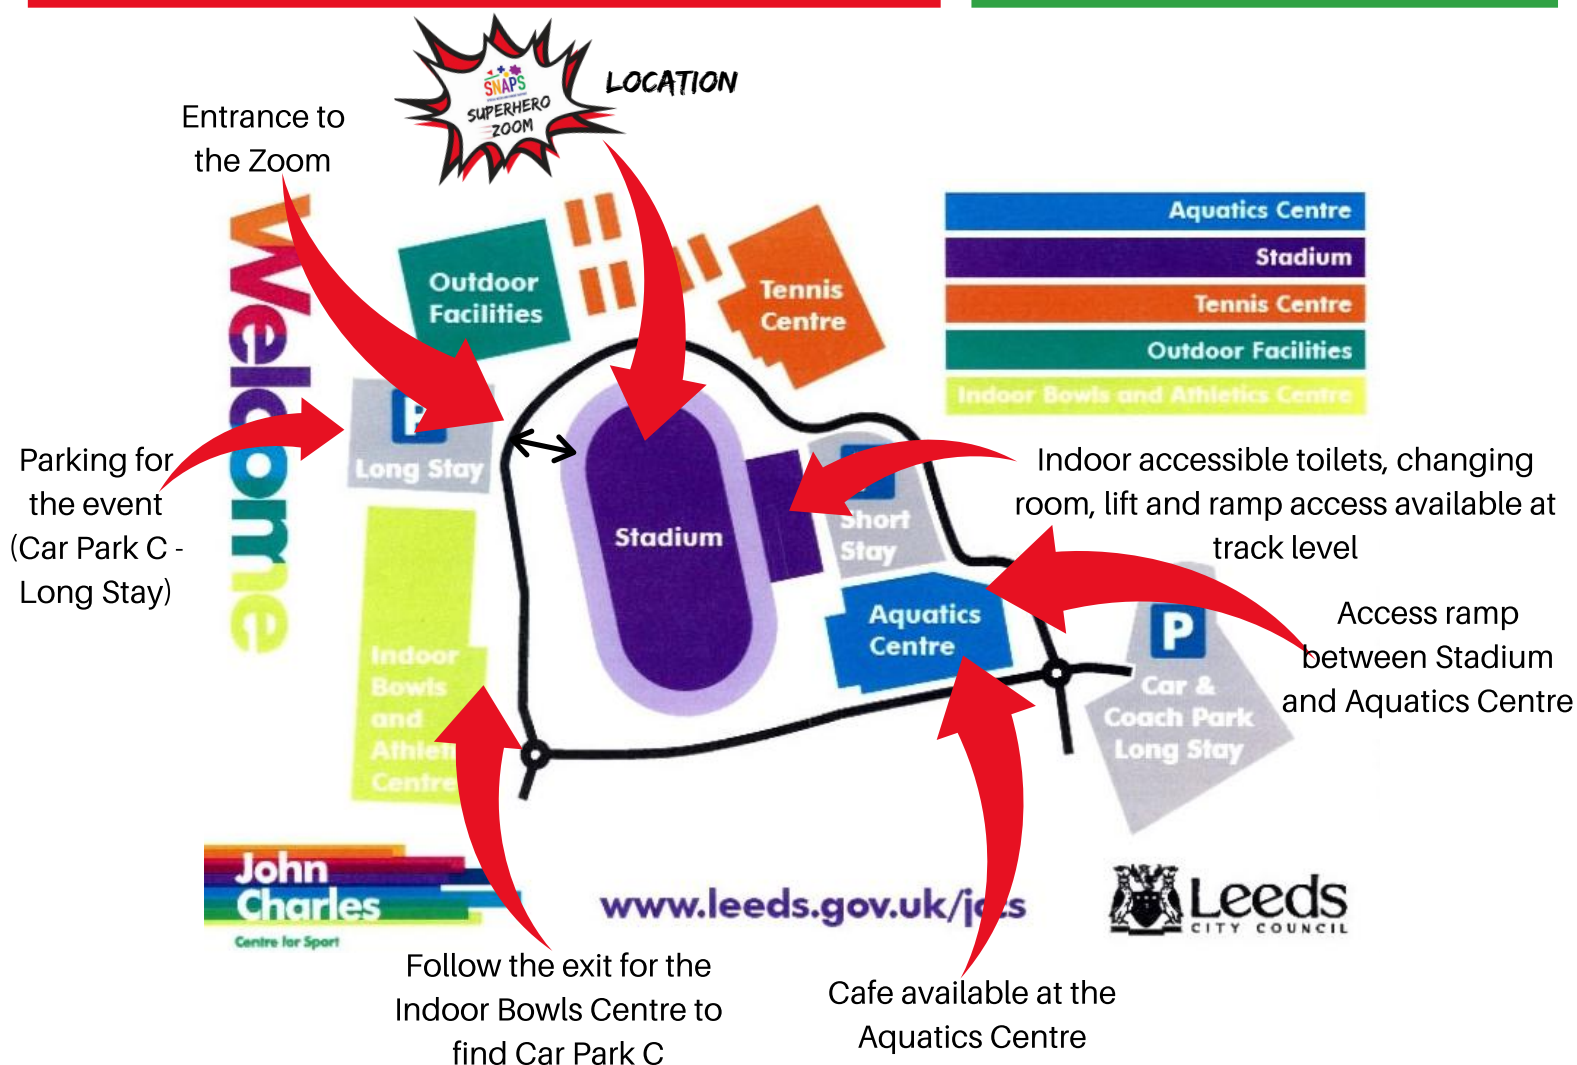

ABOUT THE SNAPS SUPERHERO ZOOM

SNAPS Superhero Zoom is an inclusive event with the feel of a fun run that gives children with additional needs and their siblings the opportunity to feel like a superhero for the day!

DATE Sunday 15th September 2019

TIME 10:30am - 12:30pm (arrival from 9:30am)

PLACE John Charles Centre for Sport,
Middleton Grove, Leeds, LS11
5DJ

Every child will be given a superhero cape to wear for the event (and keep as a fun memento) when they arrive.

This event is not a race! It's up to your family how far you go and how you do it. You can run, walk, wheel*, skip, hop...whatever you prefer! Whether you do a quarter of the track, half or the whole thing several times, you can finish whenever suits you during the event. We want every child to achieve their own personal target and they will all be rewarded with their very own Superhero Zoom medal once they have finished.

*Please note, this only applies to mobility aids and prams/pushchairs

ABOUT SNAPS

SNAPS (Special Needs And Parent Support) Yorkshire is a local Leeds charity offering regular physiotherapy and a supportive environment to children with additional needs and their families. We deliver high quality hydrotherapy and rebound therapy sessions to children with a range of needs. We also offer an inclusive and welcoming environment for the whole family to play, socialise and share experiences.

We started in 2004 as a parent-led charity to meet a need in regular physiotherapy and family support. We have since grown and now deliver services at two sites in Leeds and a football club, 33 weeks a year, supporting around 80 children and their families each week. We are celebrating our 15th year in 2019 and we are proud to continue delivering a much needed and valued service. You can learn more about SNAPS by visiting: www.snapsyorkshire.org

SNAPS STORY

“ Jake has a spinal cord injury and has limited mobility. The hydrotherapy and rebound therapy provided by SNAPS on a regular basis keeps him moving and constantly strengthening. Our NHS physio is only able to offer blocks of therapy every few months and so the regularity that SNAPS offers is absolutely key to keeping him constantly improving, which in turn is building his confidence (which at his young age of three is absolutely vital as he sees all his friends running around and learning new skills all the time). I can't really put into words how much we value and appreciate what SNAPS has done for Jake and our family – they have been a massive part of our journey so far. Thank you SNAPS. ”

FUNDRAISING FOR SNAPS

All proceeds from this event will go to SNAPS, so by signing up to the SNAPS Superhero Zoom, you're already supporting what we do! THANK YOU!

To make an even bigger difference, why not ask your friends and family to sponsor your family for taking part?

You don't have to raise big bucks to support SNAPS – in fact, just £40 will sponsor a session of hydrotherapy or rebound therapy for a child with additional needs but every penny you can raise is important. Every session really does have a huge impact on the children who receive this therapy and all our work is completely independently funded by organisations and people like YOU so any support you can give to SNAPS really does make all the difference.

Included in your welcome pack is a sponsorship form and a poster to tell everyone about what you're doing to support SNAPS. You can also set up a page on Virgin Money Giving to fundraise for us. Read our how-to guide below to get started!
